About Us:

Tronex Healthcare, a division of Tronex International, Inc., has dedicated over 25 years to providing complete lines of advanced disposable, head-to-toe Personal Protective Equipment (PPE) to the national and global healthcare market, as well as to “Making a Positive Difference and the World a Better Place.®” As an Asian-American-owned company, certified MBE, and elite Corporate Plus member of the National Minority Supplier Development Council (NMSDC), Tronex has been continuously ranked as one of the top privately held and diverse businesses in the U.S. Our leading reputation has been built through delivering incomparable quality and supply consistency, industry-leading fill rates, unparalleled service responsiveness, and exceptional value, while minimizing our environmental impact through ongoing sustainable initiatives. We maintain long-term partnerships with preeminent healthcare systems nationally through each of the major healthcare Group Purchasing Organizations. Our full product range includes nearly 600 SKUs of meticulously crafted examination gloves, head-to-toe protective apparel, face masks, N95 respirators, elastic bandages, and surgical/OR infection-control products that exceed all industry standards for quality and safety. A multiple national award-winning supplier, Tronex is dedicated to continuous innovation, delivering exceptional protection, performance, and value via customized programs and solutions.
