

Five Reasons Why You Shouldn't Go Into Medical School

Brian J. Secemsky, M.D.

The gall, you might think to yourself as you click on this link in disgust.

Before you write that brutal retort which I may/may not deserve, some simple disclaimers before we tackle this subject:

- This is not a ruthless attempt to crush your dreams and passions
- This is not an op-ed on our current healthcare system
- This is targeted towards individuals who are considering medical school in order to practice clinical medicine
- This is being written by a physician in postgraduate training

Okay.

You probably shouldn't go to medical school if:
