About Us:

Action Products, Inc. is the manufacturer of pressure relieving support surfaces, using exclusive Akton[®] polymer, to prevent pressure ulcers. As a pioneer in the gel positioning category, Action[®] products have many pressure and shear reducing qualities. Action remains the leader in the industry due to its independent clinical studies proving its effectiveness, the largest selection of pads, positioners and support surfaces, and its continuing support of pressure ulcer prevention education. For more information, please visit www.actionproducts.com.
