

Ansell Healthcare Products LLC

Ansell Healthcare is a global leader in healthcare barrier protective products. With operations in the Americas, Europe, and Asia, Ansell employs more than 11,000 people worldwide and holds leading positions in the natural latex and latex-free glove and condom markets. Ansell operates in three main business segments: Occupational Healthcare, supplying hand protection to the industrial market; Professional Healthcare, supplying surgical and examination gloves to healthcare professionals; and Consumer Healthcare, supplying sexual health products and consumer hand protection. Information on Ansell and its products can be found at <http://www.ansell.com> [1].

MicroTouch® ErgoGrip®#153 Hand-Specific Exam Gloves Enhance Comfort, Fit, and Reduce Hand Fatigue

The Micro-Touch® ErgoGrip®#153 is a powder-free, latex, hand-specific exam glove with a smooth, anti-slip finish that provides tactile sensitivity similar to that of surgical gloves and a polymer coating that provides excellent dry and damp hand donnability. These gloves are ergonomically designed to enhance fit, comfort and reduce hand fatigue. Economically priced for those who change gloves continuously or perform procedures that do not require the use of more expensive, sterile surgical gloves such as emergency room, pharmacy, or hospital laboratory staff. Micro-Touch ErgoGrip latex exam gloves are available in sizes 6.5 to 8.5 and are packaged 50 Pairs/Box - 10 Boxes/Case.
