

Illumination & Video System

Booth # 1843 Floor space is at a premium in most OR's. Yet most OR's require lots of equipment to be in place and ready for use. Luxtec is regarded as the premier supplier of illumination in the OR, and with our accessory products such cameras, Digital Video Recorders and Sony® monitors we can offer a complete illumination and recording system all on one of two model video carts for ease of transport and minimal floor space usage.
