## Bariatric Table Pad Set

**Booth # 3173** At 30 inches wide and less than 3.5 inches thick, the low profile, Akton<sup>®</sup> polymer-topped, high-density viscofoam Action<sup>®</sup> G2 Bariatric Table Pads provide shear and pressure reduction for patients weighing up to 500 pounds. These clinically tested pads feature a very low-profile design that allows greater surgeon access plus patient stability. Available in 3, 5 and 6-piece sets, the pads come with a one year warranty.
