

Black Dual Cotton Tip Swabs

Published on Surgical Products (<http://www.surgicalproductsmag.com>)

Black Dual Cotton Tip Swabs

These black dual tip cotton spiral/spiral swabs are perfect for cleaning many surfaces. The tightly wound black spiral tips grab more dust and debris and clearly show removed residue. The three-inch biodegradable cotton and paper swabs are packaged 10 per easy-open perforated sleeve, with two sleeves per sheet. These are a sanitary and economical choice for chores requiring multiple swabs.
