

## Transport & Distribution Containers

These heavy duty transport and distribution containers provide a safe and secure method to process, move and store any items required. Sizes range from 10 by 12 by 8 inches to 20 by 24 by 12 inches, making them ideal for either large or small items. Each container can accommodate up to 70 pounds and is equipped with a hinged cover which securely closes. Further security and tamper-evidence can be added when the containers are closed with the EPS Safety and Security sets. EPS Transport and Distribution Containers are available in either gray or dark blue. All sizes and colors are in stock and are ready for immediate shipment.
