

# **Surgical Repair Technologies**

Surgical Repair Technologies (a division of Sohniks Endoscopy) is a state-of-the-art, FDA-registered complete repair facility located in Minneapolis/St. Paul, Minnesota and specializes in the repair of all makes and models of flexible and rigid endoscopes, orthopedic power equipment, Phaco emulsification instruments and all instrumentation commonly used in modern surgical procedures. In most cases, repair turnaround time is between one and four business days after approval is obtained. Free pick-up and delivery is offered for customers located within 60 miles of the Minneapolis/St. Paul area, but customers outside the metro area can take advantage of UPS ground service return shipping, free of charge.
