NEW! Mini Cart by InnerSpace

The Mini Cart by InnerSpace® is specifically designed for patient rooms, exam rooms and under counter or "cubby" areas where space is limited. Full extension metal drawers accept InnerSpace plastic trays and adjustable dividers, and the cart is equipped with 3" full swivel, heavy-duty plate casters and a central key lock. Options include a front mounted electronic keyless entry lock and side mounted accessories. Call 800.467.7224 or visit www.innerspacecorp.com to request an InnerSpace Small Cart catalog.
