

## Unit Dose Packaging System

The new Oval Medi-Cup® Blisters and accompanying Lid-Label® Cover Sheets have been specially designed for storage in virtually all existing medication dispensing equipment. Regardless of the style of Medi-Cup blisters and Lid-Label Covers used, tamper-evidence, moisture resistance, ultraviolet inhibition or beyond-use dating is assured. In addition, by utilizing the company's dynamic MILT 3.0 software, users can take advantage of all the formatting and reporting capabilities the program has to offer.
