

A Little Pre-Spring Cleaning

Hello, and welcome to the new and improved Surgical Products website. Yes, my esteemed return visitors, I assure you that you are in the right place, but given the spirit of the season—New Year and new beginnings and whatnot—we thought it would be nice to give ourselves a good freshening-up.

This impressive make-over you see before you was a long time in the making, and we hope that you are as pleased and excited about it as we are. Of course, we'll still be offering you the same up-to-date surgical product and services information you've come to expect from us, but we hope you will find our new site friendlier and easier to use, and that you'll take advantage of some of our new additions and upgrades.

Now at www.surgicalproductsmag.com [1] we'll be delivering innovative new products and important industry news to our visitors, updated daily. In addition we've streamlined our search capabilities, making our extensive database of new products, equipment and technologies easier to navigate.

So come on in and take a look at the new Surgical Products online and let us know what you think. And be sure to check back daily to get the latest updates and offerings for your OR and beyond.
