

## Web-Based Solution for QA Records

ProFormanceQA is the web based solution which enables users to get a handle on all performance QA records, effortlessly track everything on the Internet. The system allows all QA and inspection data to be organized into clear reports with one "click." It monitors multiple locations including Flash Sterilizers in the OR. Users can create cart and instrument set inspection forms, helping them prepare for infection control meetings and JCAHO inspections. Go to [PROFORMANCEQA.COM](http://PROFORMANCEQA.COM) to get more information and to register today.
