

## LED Headlight

**Cool-View** offers its Novalite Micro surgical LED headlight. The headlight solution features:

- A circular spot size that simulates natural light.
- A reflector lens with diffuse pattern that reduces eye strain.
- A headset weight of 4 oz.
- A 7-oz. power pack and battery weight.
- A battery life of 3 hours.
- The ability to maintain 80 percent at 50,000 hours.
- Tetherless design.
