Suction Mat

Aspen Surgical introduces the newest addition to our Fluid Management Line: the SurgiSafe® Suction Mat. According to the company, the mat exhibits:

- Ideal use for fluid intense procedures.
- A combination of functionality of absorption and suction to efficiently remove unlimited amounts of fluid from the OR floor.
- Quiet and easy to use.
- The ability to work with standard wall suction.
- The ability to be rolled over without loss of suction.
- Red bag friendly.
