

Case Cart Repair And Restoration

Spectrum Surgical Instruments Corp. provides On-Location Case Cart Repair and Restoration services. Any make, any type, and any model case cart can be completely refurbished by Spectrum's certified technicians in their dedicated on-location repair lab. Spectrum's service capabilities include inspection, lubrication, minor or major adjustments, replacement of shelves, bumpers, latches, doorstops, nuts, bolts, hinges and caster repair or replacement. The company utilizes only stainless steel replacement parts and can also repair IV poles, mayo stands, autoclave racks and more.
