## Fiber Optic DVI Extender

CP Technologies announces it has received UL medical certification for 60601-1 and 60601-1-2 compliance for its ClearLinks OR brand of fiber optic DVI extender products. Features include:

- The ability to send 1080p video and 1920x1200 graphic signals via a 4-channel fiber optic cable.
- 60601 medical-grade power supplies.
- The ability to be combined with the company's micro 10 GIG Plenum fiber optic cable for medical grade video transmission for long distance DVI runs free from electromagnetic interference.
