

Soft-Grip™ Kerrison Rongeurs

Spectrum Surgical Instruments Corp. introduces the new Soft-Grip™ Kerrison Rongeur. Made in Germany using German stainless steel, the Soft-Grip™ Kerrison rongeurs feature:

- A unique silicone-coated handle that provides comfort and a softer feel for the surgeon.
- A coating with a specially formulated ceramic that provides increased hardness and improved corrosion resistance.
- A ceramic coating that keeps the instrument sharper, longer.
- Availability in 7" and 8" lengths.
- The ability to be purchased in 2 mm, 3 mm, 4 mm, and 5 mm diameters.
