

## Consolidate Inventory With Performance

The universal **Standard Via-Guard®** suction set from SurgiMark, Inc. alternates clog-free Tip and AdjustaFlo® Poole suction. It clears fluids faster, saves time, eliminates excess inventory, reduces SKUs and lowers costs.

The **Vascular-Pediatric Via-Guard®** extends the unique features to a wide range of use covering most suction requirements.

Additional features include:

- Clog-Free at maximum power
- Alternates Tip and Poole suction
- AdjustaFlo® regulates Poole suction
- Eliminates excess inventory/SKUs

## **Consolidate Inventory With Performance**

Published on Surgical Products (<http://www.surgicalproductsmag.com>)

---

- Gentle to delicate tissues
- Disposable for infection control
- Extensive range of use covers most suction requirements
