

# Self-Sealing Sterilization Pouches

Adenna Inc. introduces new ADENNA brand self-sealing sterilization pouches. Available in ten different sizes, this full line of sterilization pouches is in addition to the ADENNA lines of quality examination gloves and ear loop face masks. Manufactured at an ISO 9001 certified facility, ADENNA sterilization pouches offer the same features and benefits of similar high quality pouches made in the USA but at more affordable prices. ADENNA pouches are designed for use in both steam (vapor) and ethylene oxide (ETO) sterilization systems.
