

AkroDrawers

Akro-Mils has introduced four new drawer sizes, plus accessories and packages, for its AkroDrawers™ family of products. New drawers in the series include models 31112 (11-5/8" L x 11-1/8" W x 4-5/8" H), 31118 (17-5/8" L x 11-1/8" W x 4-5/8" D), 31148 (17-5/8" L x 3-3/4" W x 4-5/8" H) and 31164 (23-7/8" L x 5-9/16" W x 4-5/8" H). Cover, store, protect and more! Available in 12", 18" and 24" lengths, AkroDrawers keep supplies and parts secure, dust-free and neatly organized. The AkroDrawers line now features nine sizes and five colors: Red, Yellow, Gray, Blue and Crystal Clear, which keeps contents highly visible. Ideal for settings ranging from industrial to healthcare, AkroDrawers are stackable when used alone, or for more versatility, AkroDrawers can be used with a wide array of special bundled packages that provide a clean and organized look to even the most heavy-duty needs.
