

# InstantFOAM Hand Sanitizer With Moisturizers

DebMed

DebMed® InstantFOAM Hand Sanitizer with Moisturizers is a clinically-tested, fragrance-free and dye-free alcohol-based foaming sanitizer with moisturizers. DebMed InstantFOAM is dermatologist tested, spreads rapidly and thoroughly to cover hands, and eliminates 99.999 percent of common germs that may cause disease in 15 seconds or less. Moisturizers help maintain skin hydration and avoid drying even with frequent use.
