

EASY-TAG Tracking System

Scanlan International

Scanlan International offers the EASY-TAG Tracking System to meet the unique needs within hospitals. Users simply define the message, and Scanlan International does the rest. A custom print EASY-TAG will be developed and printed to the user's specific needs. A custom message, combined with the unique advantages of the EASY-TAG Tracking System, offers a powerful combination - providing a cost-effective, secure method of tracking instruments, trays, equipment, and repairs through cleaning, decontamination, and sterilization processes.
