

## BDV Clarity

Black Diamond Video

### 2013 ESP Award Nominee

BDV Clarity from Black Diamond Video provides secure web-based OR management tools for your tablet, PC, or smart phone. With BDV Clarity, you can view your OR's live video feed securely in real time, review your case's surgical videos and images by accessing BDV Clarity's centralized media repository, and use BDV Clarity's checklists to evaluate and enhance OR efficiency and procedural turnaround. BDV Clarity integrates with existing HL7 and PACS systems for comprehensive OR scheduling and media management.
